SREC-STRATEGIC PLAN

SRI RAMAKRISHNA ENGINEERING COLLEGE VATTAMALAIPALAYAM, N.G.G.O. COLONY POST, COIMBATORE – 641 022.

Strategic Plan for 2020 - 2025

A strategic plan in Sri Ramakrishna Engineering College outlines Strategic goals, Action plan and Target/ Bench mark to enhance quality and efficiency. It aligns with the National Assessment and Accreditation Council (NAAC) standards and integrates principles of the National Education Policy (NEP) to foster innovation and excellence in education delivery. By integrating NAAC guidelines and NEP principles, the institution can ensure holistic development and continuous improvement in their academic programs and infrastructure.

Sri Ramakrishna Engineering College holds the following Goals and Objectives to ensure the quality in the institution. The Objectives are,

1. Curriculum Reforms

Overhauling the curriculum framework to make it more flexible, multidisciplinary, and integrated, with a focus on promoting 21st-century skills, experiential learning, and vocational education.

2. Teaching & Learning

To implement innovative pedagogical methods that promote active learning and critical thinking skills among students, fostering a culture of lifelong learning and adaptability.

3. Industry Connect

Foster collaboration and partnerships with industry to gain insights, access resources, and enhance competitiveness.

4. Research & Innovation

Encouraging research and innovation in educational institutions by promoting collaboration between academia, industry, and research organizations, and providing support for research initiatives, entrepreneurship, and technology adoption.

5. Student Progression

Facilitating holistic development through flexible curricular pathways and promoting lifelong learning opportunities to ensure equitable access and success for all learners.

6. Staff Progression

To enhance faculty expertise, promote professional development, and foster a culture of innovation and research.

7. Social Responsibility Initiatives

To promote equitable access, inclusion, and community engagement in education.

8. Alumni Engagement

To foster lifelong relationships, leverage alumni expertise, and promote collaboration for enhancing institutional development, student success, and innovation in higher education.

9. Infrastructure & Facilities

To modernize campus infrastructure, including buildings and laboratories, to meet evolving academic needs and technological advancements, thereby enhancing the overall learning environment and research capabilities.

10. Governance

To establish a system of governance that ensures autonomy, accountability, and transparency, enabling HEIs to innovate, excel, and meet global standards

			Target	/ Benchmark
