Time : 3.30 pm to 4.30 pm

- (i) The chairperson welcomed the students and faculty members handling courses for V semester.
- (ii) Course wise portions completed status was discussed.

Sub. Code	Name of the Subject	Completion status.
16MER14	Total quality Management	2 modules completed.
	Dynamics of Machinery	1½ modules completed.
	Thermal Engineering	1¼ modules completed.
	Finite Element Method	1½ modules completed.
	Metal Joining Processes	1¾ modules completed.
	Industrial Robotics	2 modules completed.
	Electric Hybrid Vehicles	3 modules completed.
	Solar Technology	3 modules completed.
	Non Conventional Energy Sources	3 modules completed.

- (iii) The completion of experiments in laboratory courses was discussed.
- (iv) Chairperson enquired about the online classes. Students felt that they are comfortable with online classes.
- (v) The students were advised to undertake the mini project seriously and do a project which is beneficial to the society.
- (vi) Since the students were not able to visit industries for field training, they were asked to browse through internet for any virtual learning.

- (vii) The participation of students in technical competitions like Technium, Elgi technology day was enquired. The chairperson encouraged the students to participate in such technical events which will improve their technical competency and also getting offer in core companies.
- (viii) The preparation of students for placement was discussed. Chairperson advised the students to prepare a resume which showcases their technical skills. He advised the students to be strong in
1 modelling software and 1 analysing software.
- (ix) The placement statistics for Academic year 2021-22 was detailed to the students and students were asked to be thorough either in 'C' language or Python.
- (x) Sivagami, G (1904160) requested for special classes for 'C' language for lateral entry students. Chairperson informed that classes will be arranged shortly and he also advised them to attend class regularly.
