WD	Withdrawal in the End Semester Examination	

➤ GPA AND CGPA CALCULATION

Grade Point Average (GPA) for the Semester

$$GPA = \frac{\sum_{i=1}^n (C_i \times GP_i)}{\sum_i C_i}$$

Cumulative Grade Point Average (CGPA)

$$CGPA = \frac{\sum_{j=1}^n (C_j \times GP_j)}{\sum_j C_j}$$

Where

C_i, C_j – is the Credits assigned to the course.

GP_i, GP_j - is the grade point corresponding to the letter grade obtained for each course

n - is number of all Courses successfully cleared during the particular semester in the case of GPA and during all the semester in the case of CGPA.

Comments from the Experts:

- Dr.T.Senthilkumar, University Nominee enquired about the attendance for the student having less than 65%. The Controller of Examinations explained that the student will be detained in that semester and the student should seek the readmission to the same semester in the subsequent academic year.
- Dr.R.Chitra, Expert Nominee also enquired about the condition for students having attendance between 65% and 75% may be permitted only under medical reasons. The Controller of Examinations explained that the student will be permitted to attend the exams for this case for both medical and official on-duty like conferences, sports, hackathons, etc.
- Dr.T.Senthilkumar, University Nominee suggested to frame the rubrics for Term work and self-learning in assessment before the commencement of the course and disseminate the rubrics framed for that particular course in class so that all the students attending the course will know about the assessment pattern.
- Dr. M. Arivanandhan, University Nominee enquired about the percentage of revision in regulation and curriculum 2025 compared with regulation 2020. The Controller of Examinations explained that the percentage of revision is 25% and 50% respectively.
- Dr.R.Chitra, Expert Nominee appreciated the Gap-Year concept available in the regulation 2025 and enquired when it starts. The Chairperson – Academic Council explained that the Gap-Year concept will start from Second Year onwards. Expert Nominee had concern that it will be too early for the Second-year students to involve in start-ups. She also suggested to have a committee to go through the concepts and ask the students to present their ideas and provide approval.
- Dr. M. Arivanandhan, University Nominee enquired about the funding received from Anna University Centre for Research. Dr. P.Moorthi, Chairperson/Nanoscience explained that Rs. 2 Lakhs received from AU-CFR.
- Mr. A. Dhananjayan, Expert Nominee enquired about how the courses are selected for the 40% external valuation. The Controller of Examinations explained suitably.
- Dr. M. Arivanandhan, University Nominee enquired about the attendance for attending GIAN courses. The Controller of Examinations explained that the students will go during their semester vacations for attending such courses. Dr.T,Senthilkumar, University Nominee asked to mark absent for the students who are not available in class and not On-Duty for students.

- Dr.T,Senthilkumar, University Nominee enquired about the credits for the miniprojects and project. The controller of examinations informed the members that 2 credits for miniprojects and 6 credits for the project in R2025.
- Mr. P Maheshkumar, Expert Nominee enquired about the outcome of the project. The Controller of Examinations explained that each student should either have a conference/journal publication or patent or PoC.
